By way of suggesting a profitable industry wherein Clarksville capitalists could find investment for their money, we would like to say that an establishment for the manufacture and importation of fertilizers would pay here. Clarksville is in the center of a thickly settled agricultural district, and the wideawake farmers of this section are turning their attention more than ever to the improvement of their lands. Large quantities of fertili zers are brought here annually at

These Pills are designed especially for the cure of Fever and Ague, Dumb Chills and Billious Diseases, originating from malarial influences. They have been used with the greatest success in many instances where all other remedies had filled. They contain no poisons; are perfectly harmless and safe to take under all circumstances, and can be relied upon as an invaluable remedy.

Certificates. From the Hon. Jno. F. House, of Tennessee. ing an attack of malarial fever in September last, I was finally induced by a friend to try Bishop's Ague Antidote, and I have had no return of chills since I used his pills; I re gard them as a certain cure.

To L. C. Hishop, Druggist, Washington, D. C.

From Neill S. Brown Esq., of Tennessee, ... Mg. L. C. Bishop, Dear Sir: I take great pleasure in recommending to the public the "Ague Pills" sold by you. I used them in my family; and they gave relief and effected permanent cure of chills, where all other remedies had faffed. They sertainly act like a charm, and anyon; using them will find a sure specific.

Respectfully.

Reading Clerk House of Representatives.
